Dear Harold—

Many thanks. I was incensed by Salandria's glib demagogues and agree with your diagnosis. Here is your original copy plus an extra Xerox just in case you should need one. I have sent a Xerox to Mary Ferrell as you originally requested. By Salandria's own criteria, he more than anyone else is suspect as a "double agent" but I don't believe for a moment that he is anything but sincerely paranoic. All the best, Sylvia 1/4/72
